**9640 - Discussion of suspension of Public Forum as a regular agenda item at monthly community council meetings**

It was unanimously resolved to suspend the Public Forum as a regular monthly agenda item with immediate effect, to enable the Community Council to concentrate its energies on dealing with necessary Community matters (proposer C’llr Philpott, seconder C’llr Jeffries). Emphasis was placed on the other means available for residents to bring matters to the attention of the Community Council, by telephone, letter or email.
