

PUBLIC NOTICE

LOCATION: Steynton, Milford Haven
PROPOSED SCHEME: Studdolph to
Old Bulford Road Active Travel
Improvement
DATE OF NOTICE: 1st February 2025

NOTICE IS HEREBY GIVEN that Pembrokeshire County Council as the Local Highway Authority proposes to introduce Active Travel Improvements in Steynton, Milford Haven which consists of the following:

Construction of a segregated Shared Use Path which forms a connection between Steynton and Johnston (joint project between Pembrokeshire County Council and South Wales Trunk Road Agency)

- Phase 1: Shared Use Path including junction and footway improvements between the Neyland Road junction Northwards along the A4076 (work will be undertaken by South Wales Trunk Road Agency and Pembrokeshire County Council)
- Phase 2: Shared Use Path along the A4076 linking Northwards towards the C3024 (work to be undertaken by Pembrokeshire County Council)
- Phase 3: Future funding route will form the remaining part of the Shared Use Path, between Phase 2 and Sunnycroft Roundabout (A4076).

*All dimensions are approximate, with details (including materials) to be determined as part of the final design process should approval be given.

A Public Engagement session has been arranged on 14th February 2025 at Steynton Community Hall from 10:00 – 12:00, 13:00 – 16:00 and 18:30 – 20:00 plans will also be displayed, along with an on-line public survey <https://www.pembrokeshire.gov.uk/have-your-say/consultations> that closes on 28th March 2025 at midnight.

Documents of the proposals will be available for public inspection at County Hall and our website <https://www.pembrokeshire.gov.uk/transport-strategy> from 14th February 2025. Paper copies may also be made available on request please email the below contact.

Objections to the proposals and other representations specifying the grounds on which they are made may be sent in writing to the address below by 28th March 2025. The Council will consider objections and representations received in response to this Notice. They may be disseminated widely for these purposes and made available to the public.
